BRIEF ABSTRACT OF LETTER.

Submits estimate for Rs. 6,350 for construction of rest house at Subrahmanya.

NOTES AND ORDERS.

1) Papers are invited to Mr. Jagannatha Rao's note of inspection of Subrahmanya and that from the Head of Mrs. Dist. As regards the urgent necessity of building such a building at Subrahmanya.

2) A site has been given us free of Cost close to the temple and is now in the possession of our Superintendent.

3) The Muz. Cm^r proposes that the cost may be met from the funds at the credit of the rest houses at Chennanayakanpalayam & Kanavai which have recently been abolished. It seems desirable that the funds at the credit of the rest houses which have been abolished shd be lumped together and invested for other uses of this Deptt.

Nec^y steps will be taken to take orders in this matter when the connected files which have been sub^d in another Cm^s case are received back

4) An amt of Rs 1000 has been provided in this year's budget for construction & repairs of Muz: Insts, and the cost of constructing a rest house at Sirkalimedu may perhaps be met from this source if necessary in Special circumstances. this year & the next.

6) This may be done

5) Orders are solicited as to whether the cost may be sanctioned from the source pointed out above instead of that indicated by the Muz Cm^r

From

Muzrai Commissioner in Mysore.

To

K.V. Anantaraman, Esq, B.A.

Secretary to the Government of His Highness the Maharaja of Mysore, Revenue Department, Bangalore.
(Through the Chief Engineer of Mysore)

S I R,

Adverting to para 15 of Mr. Jeyarama Iyer's notes of inspection of the chattrams at Bisle and Sakalespur and of the affairs connected with the annual Barahazar Santarpane at Subrahmanya, and of Mr. B. Venkoba Rao's opinion on the several proposals contained therein (extracts enclosed) I have the honour to submit herewith a plan and an estimate for Rs. 5650-0-0 for the construction of a Rest house building at Subrahmanya received with Deputy Commissioner's letter O.C. 484-21 dated 3rd May 1924 and to state that the necessity for a building of our own at Subrahmanya is clearly made out by the late Muzrai Superintendent and Secretary to Government and I have nothing more to say in the matter.

2. Land measuring nearly 1½ acres and belonging to Sri Subrahmanya Swami temple is made over to the Government of Mysore free of cost for purposes of constructing a building and a copy of the mutchalika executed by the temple manager is hereto appended for reference. If the building is not constructed the site will revert to the temple. In view of the inconveniences brought to notice by Mr. Jeyarama Iyer and of the immense relief that will be afforded to the officers of the Mysore Government and the numerous pilgrims visiting the place, I am also of opinion that a building at Subrahmanya is a necessity and that the same may be constructed on the site made over by the temple manager and according to the plan

plan prepared by the Executive Engineer.

3. As regards the cost, I am of opinion that the savings avai at the credit of the Rest-houses at Chennarayapatna and Banavar which have been ordered to be abolished cannot be better utilized, than constructing a pucca building at Subrahmanya, a of great sanctity and renown. I beg accordingly to recommend that the estimated cost of construction may be met.from the abov source.

I have the honour to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
